Certification Number : 251-006

**Certificate of Support for
“Nationally Certified Sustainably Managed Natural Sites”
(Appendix)
TAISEI CORPORATION**

Special notes

After the quantitative valuations, the grasslands and wetlands, which are retained and/or created through the support to Hiruzen Nature Restoration Committee, will offset the loss of natural capital at the other sites.

*The description in the appendix is optional by the applicant and has not been examined in detail by the Ministry of the Environment.
